Mr. Larry Barker, Director- State Office of Victim Assistance  
1205 Pendleton St., Edgar Brown Building, Room 401  
Columbia, SC 29201

Dear Mr. Barker:

The county received the State Audit Report for Lee County on June 11, 2013. After reviewing the findings, I wanted to update your office that the county has reimbursed the Victim's Assistance Fund for the disputed charges in the amount of \$1,074.78 (See attached copy of check).

I want to thank your staff for the information they shared with county representatives during their recent visit. The procedures that were recommended have been implemented and the information that was obtained during their visit with regards to procedures and policies has helped the county align its protocols across departments and elected offices with regards to collection and disbursement of Victim's Assistance funding.

If my office can be of further assistance in the area of Victim's Assistance as we move forward, please feel free to contact me at you or your staff's convenience, phone 803-484-5341 ext. 321.

Sincerely,

Alan Watkins, County Administrator
